TCEQ will be submitting RRF to State EOC later today or tomorrow... just talked to Kelly and Ronnie...

I spoke to the Mission Assignment Manager... she said setting up an ICP in a non-impacted county would cause major questions from FEMA during the reimbursement phase, so stick to an impacted county...

No additional funds? Is something in the works?

I noticed that Bexar is declared Cat B: PA. So would it be frowned upon for setting an ICP for UC?
